Registration with the Headgrader to Take the Makeup Students with a conflict with any of the regularly scheduled exams (the two midterms or the final) must register for the make-up for that exam.

To register, a student must email the head grader at headgrader@gmail.com and provide documentation of the conflict.

- The registration deadline to take the makeup in good standing is 4 pm on the Monday one week prior to the regularly-scheduled exam.
- In order to qualify for any bonus points allocated on the exam, registration must be complete by this time, including any needed documentation.

Students who miss this deadline,

- but complete registration by 4 pm on the Friday before the exam, will be permitted to take the makeup, but will forfeit any bonus points allocated on the exam.
- Students who fail to complete registration for the makeup by 4 pm of the Friday prior will not be permitted to take the makeup, unless the reason for missing the regular exam is a documented medical issue.
